

Metta Dharma Foundation

PARTICIPATION AGREEMENT AND LIABILITY RELEASE

I voluntarily agree to participate in the following Metta Dharma Foundation activity: A residential meditation retreat at [Quaker Center, Ben Lomond, CA, March 26 to April 4, 2027 taught by Richard Shankman](#).

Assumption of Risk. I fully realize that this activity may involve strenuous physical activities including, but not limited to, meditation, yoga, other movement activities and classes, and work (e.g., in the kitchen, helping clean the retreat center during and at the end of the retreat, etc.), as well as risks associated with hiking in the rural setting, including contact with poison oak and wildlife. I am also aware that this is a silent, intensive meditation retreat and that participants in such retreats may experience intense and/or unusual psychological, physical, spiritual and/or emotional states of mind and body arising from the meditation and associated retreat activities. I am voluntarily participating in these activities with full knowledge of all the risks involved and agree to accept any risk that arises as a result of my participation.

Release of Liability. In consideration for Metta Dharma Foundation allowing me to participate in these activities at facilities owned, rented, or otherwise procured by the Metta Dharma Foundation and Richard Shankman, I agree that neither I nor anyone acting on behalf of me, my heirs and/or assignees will seek any claims including, but not limited to, lawsuits or attachment of Metta Dharma Foundation or Richard Shankman property, its agents or volunteers or any affiliated organizations for injury or damage resulting from negligence or other acts, howsoever caused, by anyone working directly or indirectly for Metta Dharma Foundation or Richard Shankman, except for gross negligence or intentionally acting in a manner

likely to lead to my being harmed. I release Metta Dharma Foundation and Richard Shankman from all actions, claims or demands that I and/or anyone acting on behalf of me and/or my heirs or assignees may have for injuries or damages I incur from my participation in these activities, except for gross negligence or intentionally acting in a manner likely to lead to my being harmed.

Knowing and Voluntary Execution. I have carefully read this agreement and fully understand its contents. I am aware that this is a release of liability and contract between myself and Metta Dharma Foundation and its affiliated organizations and Richard Shankman. I sign it of my own free will, knowingly accepting my assumption of risk and the release of liability.
